

GPI MEETS THE INVESTORS

PARIS, NOVEMBER 12th - CIC MARKET SOLUTIONS FORUM, VIRTUAL EDITION

Trento, 10 November 2020

GPI (GPI: IM), a leading company in IT Solutions and Healthcare and Social Services, listed on the MTA market of Borsa Italiana, will participate in the CIC MARKET SOLUTIONS FORUM. The event, usually held in Paris, due to government restrictions linked to the Covid outbreak, shifted to digital. Gpi will be participating in the 12 November session to meet professional investors in one-to-one and group meetings on a video conference system set up on purpose by the event organizers.

GPI GROUP

Gpi is the partner of reference for software, technologies and services dedicated to health care, social care and public administration. Founded over 30 years ago in Trento, Italy, Gpi has grown thanks to significant investments in M&A (in Italy and abroad) and R&D, carried out in partnership with the main Italian universities and research organizations with the aim of transferring scientific, technological, functional and process know-how applied to the e-health, e-welfare, well-being sectors. Thanks also to the solutions and the specialised expertise passed on from companies who became part of the Gpi ecosystem, the Group has managed to translate emerging needs from health care into cutting-edge technological solutions and new service models capable of optimizing prevention processes, diagnosis and treatment, improving people's quality of life. The products combine specialist expertise in IT and consultancy and design skills, which allow Gpi to operate in different business areas: Software, Care, Automation, ICT and Pay. In 2019 the Company delivered consolidated revenues of 241 million Euros, over 5,300 employees and more than 2,200 customers spread over 60 countries. In 2016 Gpi was listed on Borsa Italiana AIM market and graduated to MTA market in 2018.
