PRESS RELEASE

GPI GROUP AND UMANA MEDICAL AWARDED AT THE "MALTA HEALTHCARE AWARDS 2021"

Trento, 2 February 2021

Two important awards for the **Gpi Group** and the maltese subsidiary **Umana Medical**, on the occasion of the 2021 edition of the "Malta Healthcare Awards", organized by Malta Business Review, a reference point in the island's economy. The Gpi group was awarded "Best Social & Healthcare Organisation in the Community of the year", while Umana Medical was awarded "Innovation in Healthcare".

Umana Medical is part of Gpi Group from the middle of 2020 and produces innovative solutions for monitoring the health and social care, such as the nanomaterial tattoo sensor, i.e. sensors/tattoos based on nanotechnology, a patch that is easily applied to the human body that detects the vital parameters of the person, and sends them to the multiparametric heart monitor T1. A sensor widely used in particular in the field of telemedicine, which due to the pandemic has revealed in fact its strategic importance for the home care of people with chronic diseases.

GPI GROUP

GPI is the partner of reference for software, technologies and services dedicated to healthcare, social care and public administration. Founded over 30 years ago in Trento, Italy, GPI has grown thanks to significant investments in M&A (in Italy and abroad) and R&D, carried out in partnership with the main Italian universities and research organizations with the aim of transferring scientific, technological, functional and process know-how applied to the e-health, e-welfare, well-being sectors. Thanks also to the solutions and the specialized expertise passed on from companies who became part of the GPI ecosystem, the Group has managed to translate emerging needs from healthcare into cutting-edge technological solutions and new service models capable of optimizing prevention processes, diagnosis and treatment, improving people's quality of life.

The products combine specialist expertise in IT and consultancy and design skills, which allow GPI to operate in different business areas: Software, Care, Automation, ICT and Pay.

In 2019 the Company delivered consolidated revenues of 241 million Euros, over 5,300 employees and more than 2,200 customers spread over 60 countries.

In 2016 GPI was listed on Borsa Italiana AIM market and graduated to MTA market in 2018.
