PRESS RELEASE

NEW INTERNATIONAL ORDERS FOR THE GPI GROUP REACH NEARLY 5 MILLION EUROS IN THE LAST THREE MONTHS OF 2021

Trento, 1 February 2022

The last three months of 2021 were profitable for the **Gpi Group's** foreign business: overall, new orders came close to 5 million euros.

Sales of the Riedl automatic **drug logistics** warehouse in Continental Europe (Austria, Poland and Hungary), the Canary Islands, Saudi Arabia, Russia and Argentina totalled around 1.5 million euros.

In the **transfusion sector**, grouped under the GPI4Blood brand, the Gpi Group acquired new buyers in Costa Rica, Chile, France and the Bermuda Islands, along with several customers in the United States. Sales in this segment came to approximately 750,000 euros.

In the telemedicine sector, for the **T1 sensor** produced by the Maltese subsidiary Umana Medical generated new orders in Germany, Russia and Mexico of about 450,000 euros.

To complete the picture, mention should be made of the tender won in Malta for the Schengen Information System to be used by the police, discussed in a previous press release; Gpi's share is around 2.2 million euros.

GPI GROUP

GPI is the preferred partner for software, technologies and services for healthcare, social services and the public administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and R&D, which it carries out in partnership with leading Italian research centres and universities to share scientific, technological, functional and process knowledge applied to the e-health, e-welfare, well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of €271 million in 2020, with over 6,100 employees at year end and more than 2,400 customers in over 60 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA market in 2018.
