

GIUSEPPINA DI FOGGIA

Director since 14 December 2022

Born in Rome (IT) on 16 July 1969.

After graduating with a **master's degree in Electronic Engineering** from the University of Rome 'La Sapienza' and passing the state examination for qualification as an engineer, she obtained a **master's degree in Professional Program Management** from the Stevens Institute **in the United States** and attended specialisation and general management courses at SDA Bocconi in Milan and at the Luiss Business School in Rome.

She began her work experience in EU-funded ACTS R&D projects for the planning and implementation of the third generation (3G) mobile network before joining **Lucent Technologies in 1998**, which became **Alcatel-Lucent in 2006** and **Nokia in 2016**, a company active for over 100 years in the manufacturing and services of telecommunications equipment and in R&D in the field of optical network, microwave, and artificial intelligence. From **April 2020 to May 2023**, Di Foggia served as the **Chief Executive Officer and Vice President of Nokia**.

Since **May 9, 2023**, she has been the **Chief Executive Officer and General Manager of Terna S.p.A**

Very sensitive to youth and job issues, Di Foggia promotes and supports various programmes with a special focus on digital literacy and bringing students closer to STEM subjects.

Order of the Cavaliere del Lavoro awarded in 2021 by the President of Italy Sergio Mattarella; **Forbes Italia top 100 women** for leadership and creativity in 2021; CEO of the year 2021 in TLC at Forbes Italia.

She is in the BoD of Cefriel, digital innovation center, focused on research and innovation, affiliated with Politecnico di Milano. She is a member of the Board of the Executive MBA at LUMSA University, the Foreign Investors Advisory Board of Confindustria and the board of directors of Assolombarda. President of the Social Inclusion Steering Committee at Confindustria Digitale, she is also a member of the General Council of Anitec-Assinform.

Chairman of the Board of Directors of GPI S.p.A. since December 14, 2022.
