

## ROBOTICS: THE CANARY ISLANDS HOSPITALS AWARD DRUG AUTOMATION TO GPI 2-MILLION CONTRACT

Trento, 13 April 2023

Through its subsidiary **GPI Iberia**, **Gpi** has been awarded the tender for the automation of five hospitals of the Servicio Canario de la Salud (Canary Islands Health Service) in Las Palmas de Gran Canaria, Santa Cruz de Tenerife, Fuerteventura, Lanzarote and La Palma (Canary Islands).

The contract is worth almost **2 million euros** and includes the supply of 7 Riedl Phasys systems, 7 automatic loading systems, five cold rooms, 5 ATM autonomous dispensers and transport systems for the distribution of drugs to the outpatient area. Eight years of maintenance are also included.

With the installation of this equipment, Servicio Canario de la Salud becomes one of Spain's leading health services in the automation of drug dispensing processes for outpatients.

With this contract and others won in late 2022 for 2.5 million euros, Gpi increases its presence in international markets with Riedl Phasys automation in China, the United Arab Emirates, Poland, the UK, Spain, Switzerland and Hungary.

### GPI GROUP

GPI is the preferred partner for software, technologies and services for healthcare, social services and the public administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and R&D, which it carries out in partnership with leading Italian research centres and universities to share scientific, technological, functional and process knowledge applied to the e-health, e-welfare, well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of €360.2 million in 2022, with over 7,100 employees at year end and more than 3,000 customers in over 70 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA (now EXM) market in 2018.
