

## **GPI ANNOUNCES ITS PARTICIPATION IN THE EURONEXT TECH LEADERS INITIATIVE DEDICATED TO HIGH-GROWTH AND LEADING TECH COMPANIES**

Trento, 15 June 2023

**GPI S.p.A. (GPI:IM)**, a leading company in IT Solutions and Healthcare and Social Services, listed on the EXM market (Euronext Milan) of Borsa Italiana, is proud to announce that, starting today, has become part of Euronext Tech Leaders, the new Community composed of 120+ high-growth and leading Tech companies, each meeting a specific set of financial and non-financial criteria to qualify.

Euronext Tech Leaders complements Euronext's existing Tech offer and aims to strengthen the European Tech sector and be a catalyst for the next generation of Tech leaders.

As a Euronext Tech Leader, Gpi will benefit from the suite of services developed by Euronext and its partners to support participants along their listing journey.

Gpi has been successfully working in the market of health care software, technology and services for 35 years and, while growing on the global markets, is currently leading the digital transformation of the Italian health care system. The Company works in an attractive sector with huge public investments and expected growth. With its broad and stable customer base, taking charge of patients' needs, Gpi offers a comprehensive range of IT solutions to meet all the needs of health care structures and institutions such as HIS (Hospital Information Systems), BLOOD (Blood Supply Chain), LIS (Laboratory Information Systems), VC (Virtual Care), ERP (Enterprise Resource Planning), HR (Human Resources), BI (Business Intelligence).

Gpi's Pharmacy Automation product, Riedl Phasys, is a best-selling and well-reviewed solution that sets the standard for state-of-the-art technology in global markets.

Additionally, Gpi works in the management of booking centers for public and private healthcare facilities, and has the potential to serve up to half of the Italian population.

## GPI GROUP

GPI is the partner of choice for software, technologies and services for healthcare, social services and the public administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and in R&D, carried out in partnership with leading Italian universities and research centres to transfer scientific, technological, functional and process knowledge into the e-health, e-welfare, and well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of €360.2 million in 2022, with over 7,100 employees at year end, and more than 3,000 customers in over 70 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA (now EXM) market in 2018.
