GPI GROUP

GPI is the partner of choice for software, technologies and services for healthcare, social services and the public administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and in R&D, carried out in partnership with leading Italian universities and research centres to transfer scientific, technological, functional and process knowledge into the e-health, e-welfare, and well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of €360.2 million in 2022, with over 7,100 employees at year end, and more than 3,000 customers in over 70 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA (now EXM) market in 2018. In 2023 becomes part of Euronext Tech Leaders, the initiative of Borsa Italiana dedicated to high-growth and leading Tech Companies.
