

PRESS RELEASE

NEW CONSIP FRAMEWORK AGREEMENT FOR GPI: MANAGEMENT SOFTWARE AND DATA GOVERNANCE FOR HEALTHCARE, DIGITAL TRANSFORMATION IS CLOSER

Trento, 06 November 2023

GPI S.p.A. (GPI:IM), a Tech Leader company listed on the EXM market (Euronext Milan), leader in Information Systems and Services for Health and Social Care, announces that the temporary consortium with Gpi as one of the lead companies and Accenture SpA as member, has come in second in the awarding of three application lots (out of four) of the tender launched by Consip, concerning the Framework Agreement on "Digital Health Care - Management Information Systems" for National Health Service bodies. The award is final and effective.

This is the third nationwide strategic tender launched by Consip, which will make it possible to accelerate PA purchasing processes, and aimed at the digital transformation of health care. The tender, dedicated to health data management and administration, was launched in coherence with "Mission 6 - Health" of the National Recovery and Resilience Plan (NRRP). This tender is also structured into two macro-areas: North and Centre-South.

The 3 application lots awarded are worth EUR 648 million, with a possible extension up to EUR 778 million.

The temporary consortium in which Gpi participates may benefit from an 18% share of direct awards and may participate in competitive tenders with the other successful bidders for a maximum share of 40% of the limit of each lot it is awarded. Gpi Group's share within the temporary consortium is more than 26%.

The Framework Agreement covers the whole country in thematic areas dedicated to the development and evolution of Management Information Systems - Administrative and Accounting Procedures and Data Governance in four specific areas: Data Warehouse and Business Intelligence; Big Data & Analytics; Open Data; Artificial Intelligence / Machine Learning / Deep Learning / Natural Language Processing / Natural Language Understanding.

The Framework Agreement will have a term of 24 months, with a possible extension up to 12 months, subject to a ceiling. The individual implementation contracts will have a maximum term of 48 months from the date of signing.

GPI GROUP

GPI is the preferred partner for software, technologies and services for Healthcare, Social Services and the Public Administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and R&D, which it carries out in partnership with leading Italian research centres and universities to share scientific, technological, functional and process knowledge applied to the e-health, e-welfare, well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of EUR 360.2 million in 2022, with over 7,100 employees at year end and more than 3,000 customers in over 70 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA market in 2018. In 2023, it joined Euronext Tech Leaders, an initiative of Borsa Italiana dedicated to high-growth companies and leaders in the technology sector.
